

# Thank you Tim Hortons and Thompson!

We raised \$13,729.50 during the Tim Hortons Holiday Smile Cookie event. Thank you Tim Hortons for making us recipients of this program. And thank you to the people, business and organizations who purchased Holiday Smile Cookies during the third week of November.

Half of the money raised will go to support our food security program. This program

delivers hampers to low income seniors who have mobility or other health-related challenges. The other is for Tim Hortons Foundation Camps.

We appreciate the kindness, support and wonderful hospitality of Ronak and his staff at Tim Hortons.

And we especially appreciate the volunteers who got the pre-orders and did other leg work!
