

Senior Green Thumb event was colourful and delicious-looking

Thank you to the 12 people who entered our first Seniors Green Thumb event and especially to Thompson Home Hardware and Canadian Tire Thompson for donating such wonderful prizes!

The Seniors Green Thumb event replaces the Bring Your Bloomer event that was typically held on Canada Day. It was felt that having an end-of-summer event gave gardeners more time to have display items.

All of the vegetables entered into the event were donated and divided among the food hampers that make up part of the food security program.

In addition to the green thumb entries, a senior who wishes to remain anonymous, donated a 'pocket blanket' (which we incorrectly called a quilt). There were 101 pockets in the blanket, each having a trinket or small prize. People 'bought' a pocket and kept the prize inside. In addition, their name went into a draw for the blanket.

Marilia Marques won the blanket, but she donated it back to the Thompson Seniors to use as another fund raiser. Not only did she re-donate the blanket, but she also donated items to fill the pockets! Thank you, Marilia!

Look for the pocket blanket fund raiser at some of this year's craft sales!

Bus trip was a nice conclusion to August

The bus trip to Paint Lake Marina has become an annual event. The weather was perfect, the ride was fun and the pies and cinnamon buns

at the marina were delicious. We thank NCN Thompson Bus and Paint Lake Marina for holding their prices in line for us.

A joke from the email bag:

I'm going to take up coin collecting.
The change will do me good.
